TRUCK LINES

SHIP RESPONSIBLY. SHIP LOCAL. SHIP HTL.

Responsible. Enjoyable. Cost Effective. These are some of the most important qualities we think every company deserves to receive from their logistics partner—including you. That's why we employ only the most responsible, professional drivers who are Wisconsin-based and work as a tightly-knit, owner-dispatched team. Our goal is to make it as easy as possible for you to ship reliably and affordably, helping you reduce costs and, put simply, make more money.

SHIP RESPONSIBLY. SHIP LOCAL.
SHIP HTL.

Herlache Truck Lines always goes out of their way to provide great pricing and service. Their knowledge and their reliable team does a great job in getting our freight delivered.

- Randy Klein, Director of Transportation and Outside Warehouse

Herlache Truck Lines has completed over 1,000 loads with Camelot Paper; they are reliable, available when I need them, and charge a fair price. Their service is consistently excellent. I am glad that I gave them the opportunity to haul our freight.

- Nancy Portman, Transportation Planner

WISCONSIN

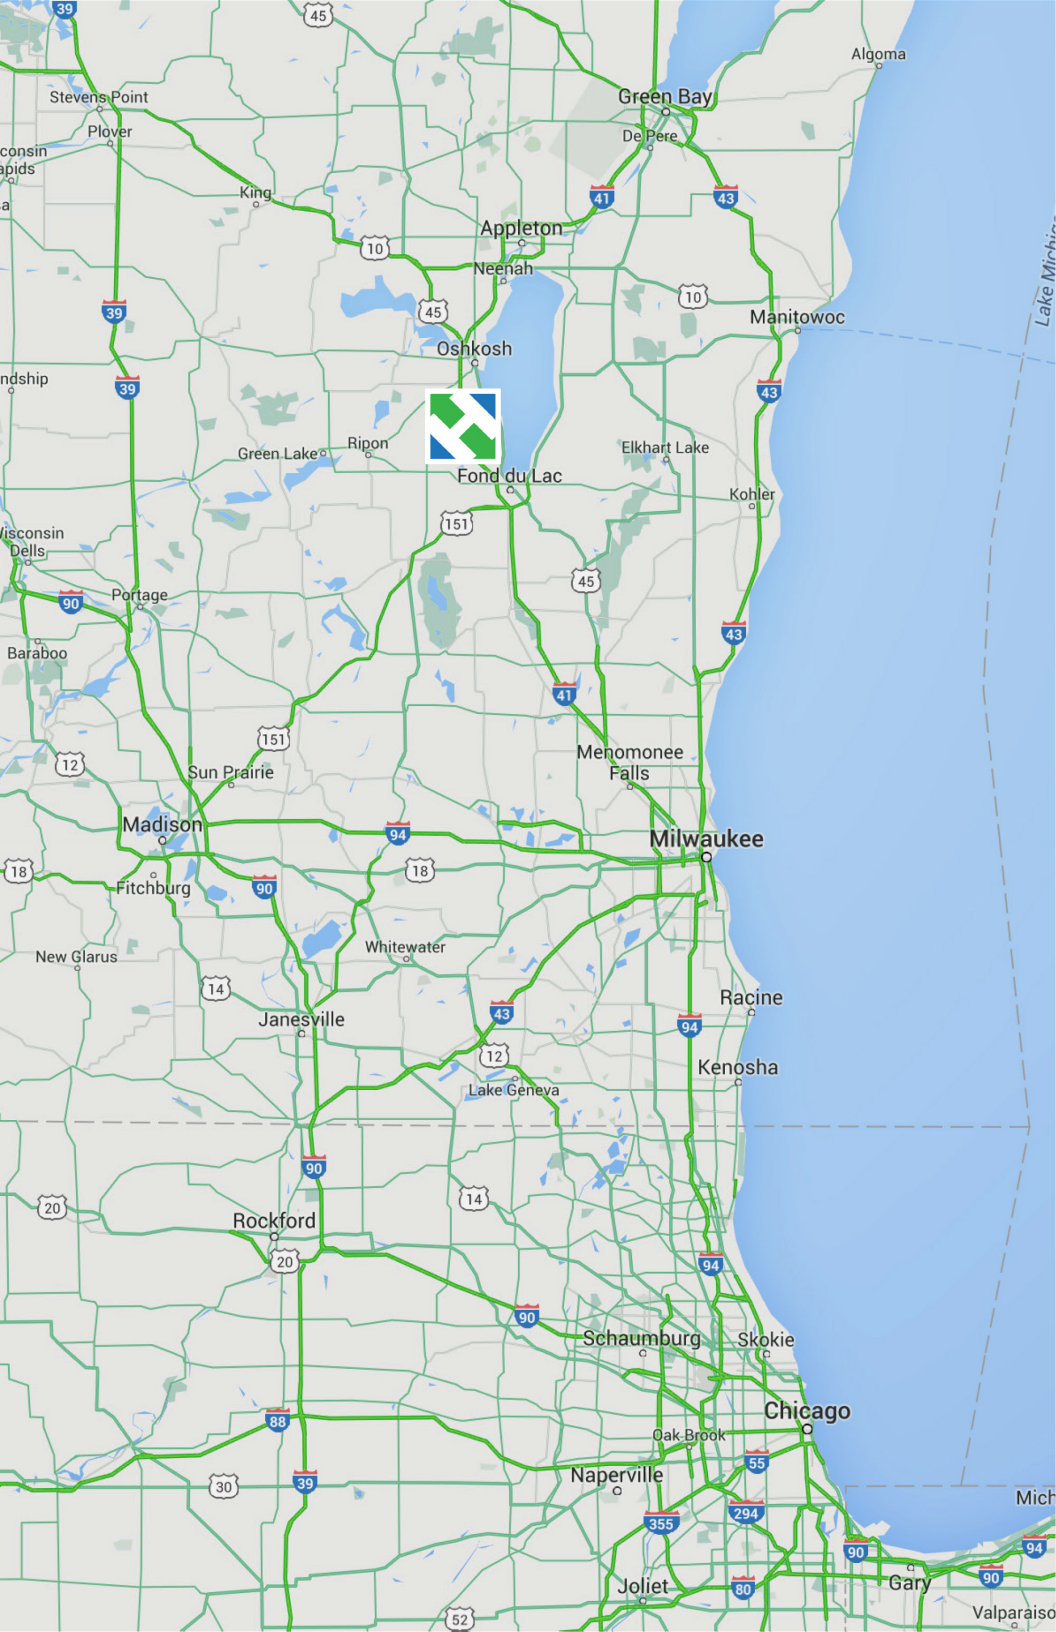

We know Wisconsin. We grew up here, we live here, we work here. So when you're looking for a full truckload carrier who is consistently available and able to help you move your freight through the Wisconsin and surrounding 9-state area, you don't need to worry about seeing if the "big boys" will be able to fit you in.

We've got you covered.

We take responsibility for you, our customer. We're committed to helping you move freight safely and efficiently, helping you reduce costs and, put simply, we help you make more money.

Our capacity of up to 30 shipments per week, which utilizes our amazingly clean fleet of 53' food grade DuraPlate trailers, and our 99.9975% on-time delivery rate gives us the ability to drop trailers all the way up in Northeast Wisconsin, and all throughout the Chicago area.

- 99.9975% on-time rating
- Up to 30 shipments per week
- Clean, 53' food grade DuraPlate trailers
- Capacity to drop in Northeastern Wisconsin & Chicago area
- Rates to Wisconsin start at \$400

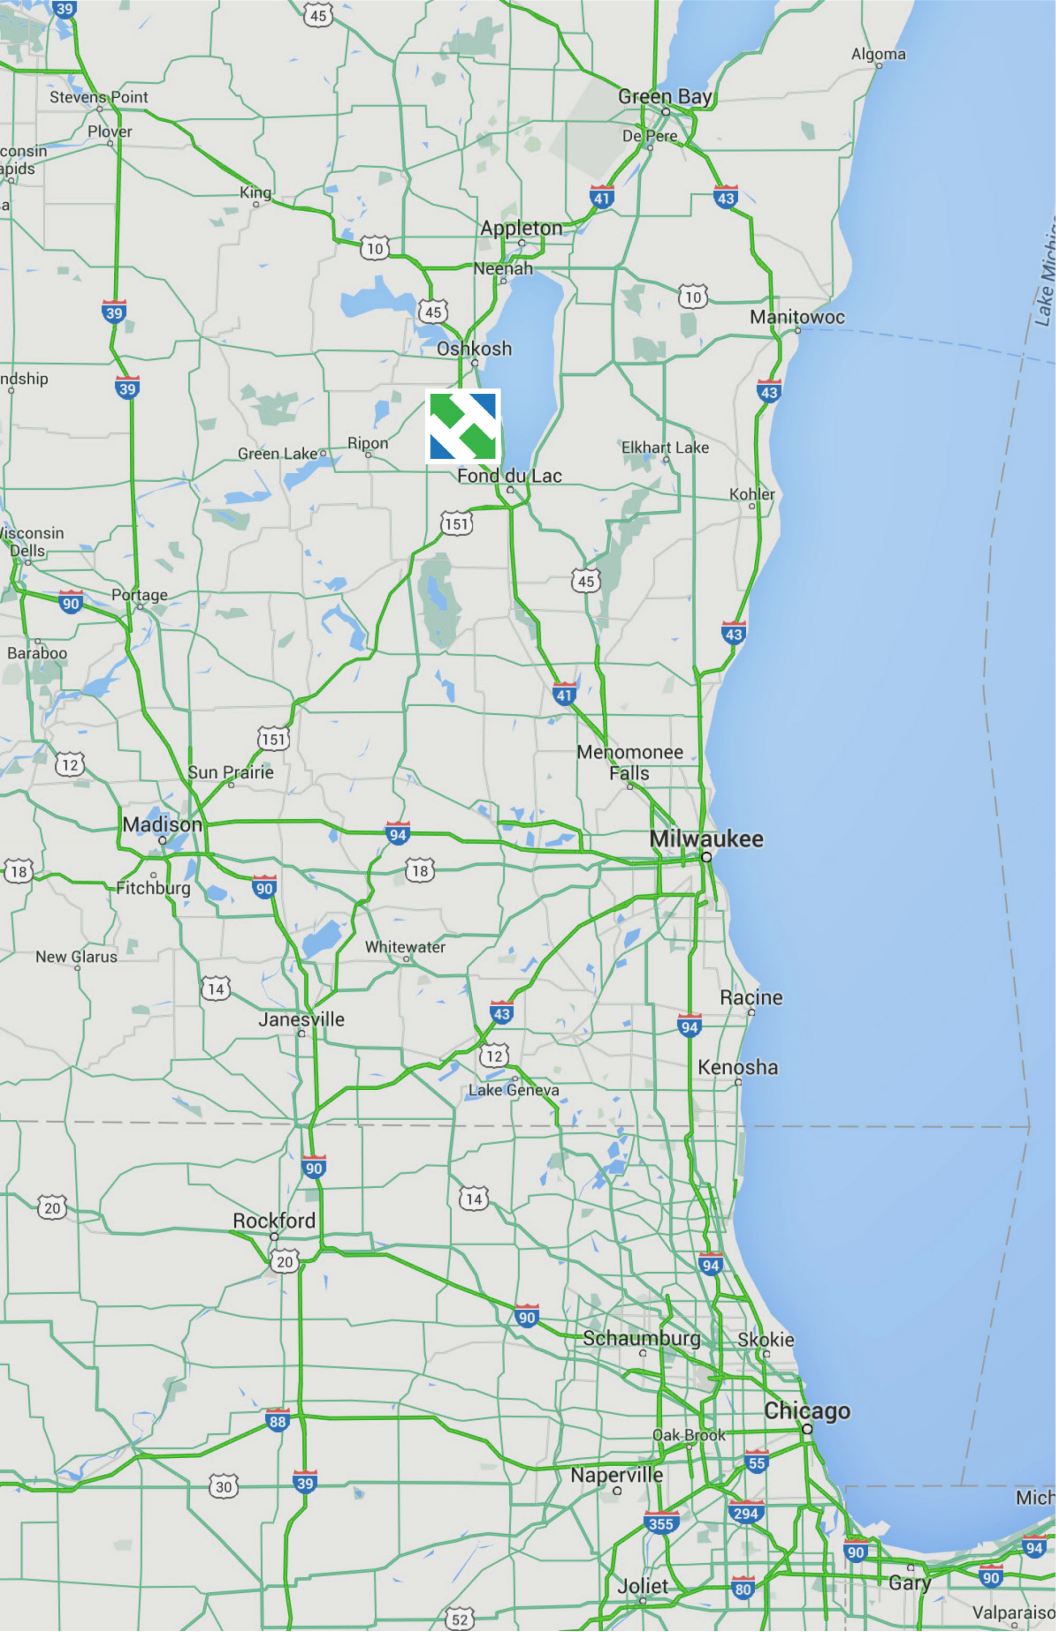

CHICAGOLAND

If you ship to (or out of) the Chicagoland area, you know better than anyone that Chicago is truly the Heart of America. At HTL, we're passionate about the success of our nation and the companies that make up the heartbeat that keeps it running. This is why we work with strong businesses who want a responsible, efficient, safe and cost-effective freight partner to help them grow, and keep their operations running smoothly and profitably.

Need something shipped last minute? We can help! Our next day service includes multi-stop and full truckload shipments.

With over 10 dry vans, which are undercoated and treated with a two-part epoxy floor sealant that ensures our customers' dry products show up clean and dry, and over 15—53' food grade DuraPlate trailers which ensure the clean and safe transport of goods, we have what it takes to help you move your freight—safely, professionally, and on time.

- 99.9975% on-time rating
- Over 35 shipments to Northeastern Illinois every week!
- Epoxy-sealed Dry Vans
- Clean, 53' food grade DuraPlate trailers
- Capacity to drop in Northeastern Wisconsin & Chicago area
- Next-day service for multi-stop and full truckload range from \$525-\$750

As a Wisconsin-based logistics company, we are dedicated to the success of the Midwest and are passionate about changing the logistics industry in a positive way. We embrace responsibility, honesty, fairness and safety, and we believe that you should enjoy working with us.

Our culture-based hiring process ensures our team members—drivers, administration, support—meet and exceed the professional standards we set for our company. Our people are why we are able to go out of our way to make your shipping experience an enjoyable one.

We offer next-day delivery to all locations in our service area, with a 99.9975% on-time delivery rate. Within our first two years of business, we moved over 5,000 loads in a 9-state area—and we're growing our capacity and customer success every day.

By integrating the cutting-edge Omnitracs fleet management technology to be the core of our logistics management, we are able to provide you with the personalized service you deserve, including 24-hour customer support. We value you—including each and every shipment you ship through us—not matter the cost.

I thank you for the opportunity to be your primary logistics partner.
